

RSA Conference in Adelaide

Downunder, October 2017

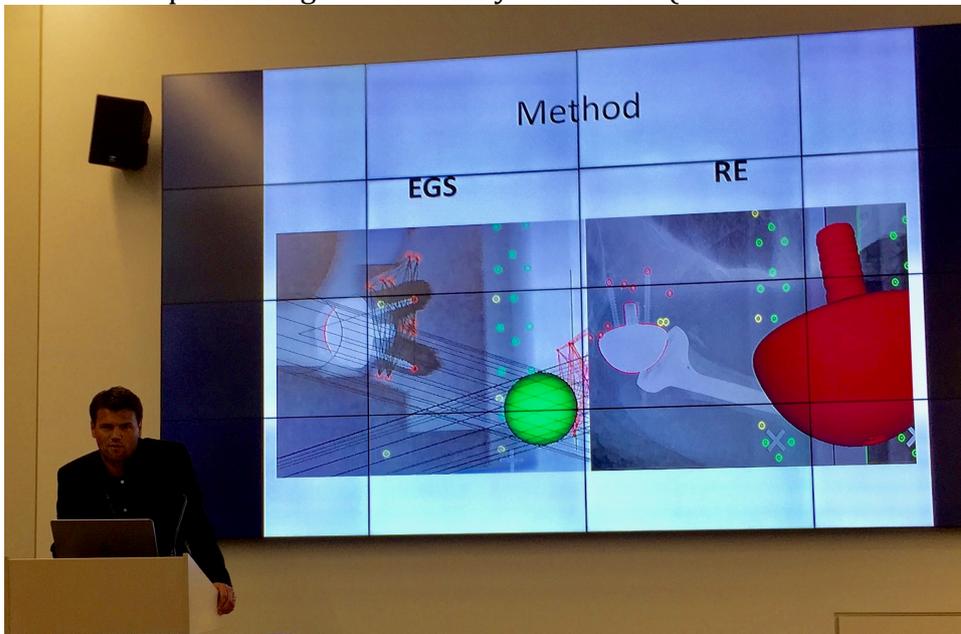

In front of the brandnew Royal Adelaide Hospital!

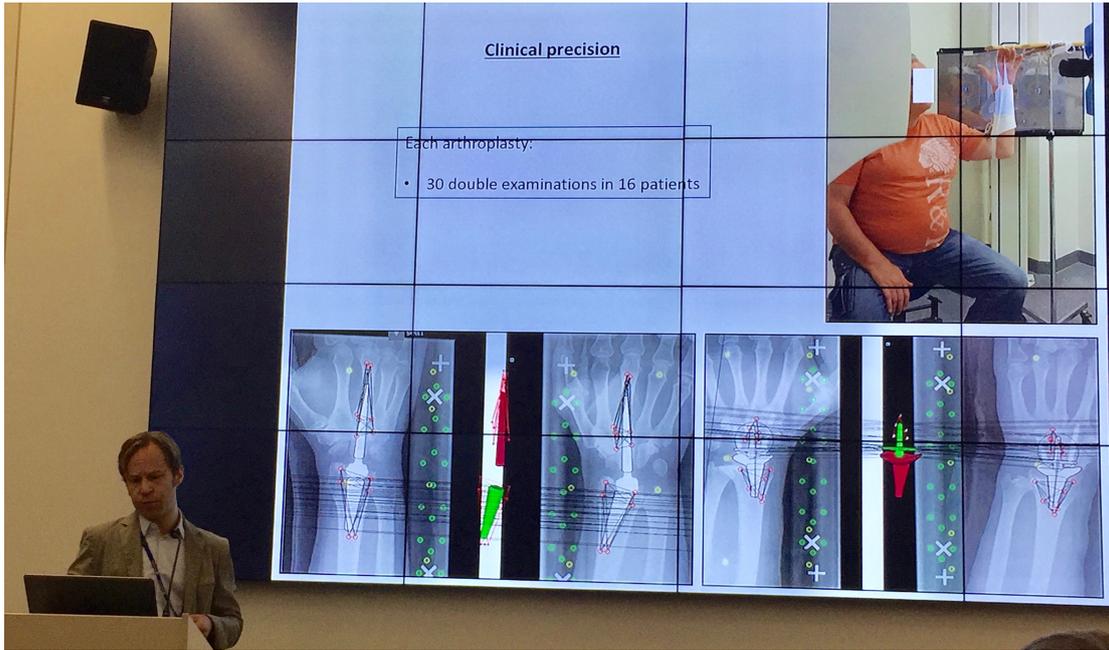

Sessions together with members of the ANZORS research network

Alex Fraser presenting his RSA study about RSA (Reverse Shoulder Arthroplasty)

Informal discussions during the poster presentations. The RSA community growing together!

Trygve Glad creates a lot of interest with his phantom study on wrist arthroplasty.

Masako Kani (Tsukanaka) presented the first dynamic study of CIRRO during the joint session of the ANZOR meeting.

Lunch with RSA smalltalk, Trygve, Alex and Masako

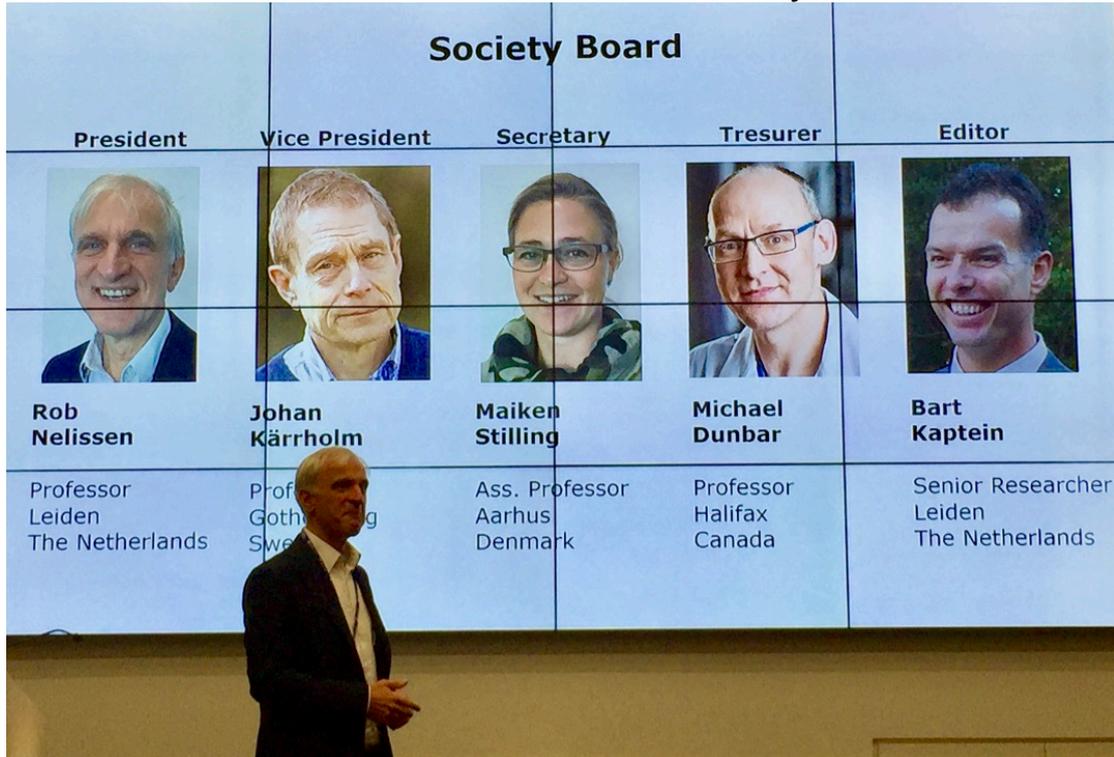

RSA connections: Leif Ryd, Volker Otten, Stephan Röhl, Bo Nivbrant

Stephan M. Röhl leading a session as chairman

The board of the new RSA society

Prof. Nelissen (above) and Prof. Kärrholm (below) promoting the RSA society

Scientific discussions with the lead of Prof. Kärrholm

The RSA community has lost a great visionary!
We will miss your spirit – R.I.P.!
