

Seminars 2023 – Autumn

Molecular Cell Biology

Project seminars – Mondays at 09:00

NOTE: New format: To increase the turnover of talks and increase overview for everyone we change the format to two talks every Monday. Maximum 20 minutes total per person (15 minutes talk 5 minutes questions). Presenters are encouraged to present preliminary results rather than polished complete stories. Remember to include sufficient introduction with aims and a last slide with future plans.
