

CURRICULUM VITAE

Name: Thor Willy Ruud Hansen

Date of birth: December 21, 1946

Place of birth: Fredrikstad, Norway

Citizenship: Norwegian

Address (Residence): Langmyrgrenda 45 B, N-0861 Oslo, Norway. Phone: 47-22237365; e-mail: twiru@online.no
(Hospital) : Section on Neonatology, Department of Pediatrics, Rikshospitalet, N-0027 Oslo, Norway. Phone:47-23074573. Fax: 47-23072960.
University e-mail: t.w.r.hansen@medisin.uio.no
Hosp. e-mail: thor.willy.ruud.hansen@rikshospitalet.no

Marital status: Married to Grethe Brynildsen, b.11.23.54

Children: Herdis Marie, b.10.29.87; Eirin, b.12.9.89; Erik Andreas, b.10.12.91.

Languages: Norwegian/Scandinavian, English, Portuguese (fluent). Spanish, French, German (reasonable reading and some speaking ability). Italian (some reading).

Education: Primary school: 1953-59 Skarmyra Skole, Moss
1959-60 Grefsen Skole, Oslo (summa cum laude)
High School: 1960-64 Grefsen High School, Oslo
1964-65 Wauwatosa East High School, Wis., U.S.A.
1965-66 Grefsen High School, Oslo (summa cum laude)
University: 1966-72 University of Oslo (cum laude)

Degrees/exams/licenses: 1972 MD, University of Oslo, Faculty of Medicine
1972 ECFMG, Copenhagen
1975 Medical license, Norway
1977 DTM&H, University of Liverpool, School of Tropical Medicine and Hygiene.
1977 Medical license, Angola
1988 Dr.med. (Ph.D.), University of Oslo.
1991 Federation Licensing Exam (FLEX),USA.
1993 Medical license, Pennsylvania,USA
2003 Master of Health Administration, University of Oslo

Medical specialty: 1983 Pediatrics (Norway)
 1990 Neonatology
 1997 Certified in General Pediatrics by The American Board of Pediatrics (expired 12.31.2004)
 1999 Certified in Neonatal/Perinatal Medicine by The American Board of Pediatrics (re-certified 2007-2013)

CLINICAL TRAINING/APPOINTMENTS

| <u>TIME</u> | <u>PLACE</u> | <u>APPOINTMENT</u> |
|-----------------|--|--|
| July 72-July 73 | Modum Bads Psychiatric Clinic | Resident (psychiatry) |
| July 73-July 74 | Telemark Central Hosp. | Intern (int.med. & surgery) |
| July 74-Jan 75 | North Cape | Intern (distr. hlth.service) |
| Jan 75-Mar 75 | Psychiatric Dept, Namdal Hospital | Resident |
| April 75-Dec 75 | Emergency Dept., Ullevål Hospital | Resident (emergency room) |
| Dec 75-Feb 76 | Surgical Dept. Askim Hospital | Resident (locum) |
| Feb 76-Feb 77 | Pediatric Dept., Natl.Hosp., Oslo | Resident |
| Apr 77-Aug 77 | Oslo, Norway Oporto, Portugal | Planning and language studies in preparation for missionary health work in Angola. |
| Aug 77-Feb 80 | Quessua, Angola | Only doctor at small mission hospital. |
| Mar 80-July 80 | M/S Song of Norway | Ships doctor |
| Aug 80-Sept 83 | Pediatric Dept., Natl.Hosp.,Oslo | Resident (including 5 months as Senior Resident). |
| Jul 88-Jun 90 | Women & Infants' Hospital of Rhode Island,U.S.A. | Neonatal fellow |

| | | |
|---------------------|---|---|
| Sep90-Oct 90 | Pediatric Dept., Natl.Hosp.,Oslo | Staff pediatrician |
| Oct90- Sep92 | Neonatal Div., Pediatric Dept., Natl.Hosp.,Oslo | Neonatologist |
| Oct92 - Jan93 | Neonatal Division, Pediatric Dept., Aker Hospital,Oslo | Neonatologist |
| Feb93- June94 | Neonatal Div., Pediatric Dept., Natl.Hosp.,Oslo | Neonatologist |
| July 94- June 97 | Neonatal Critical Care, Children's Hospital of Pittsburgh, Pittsburgh,PA, USA | Neonatologist and Associate professor |
| Aug97- April98 | Section on Neonatology, Department of Pediatrics Rikshospitalet, Oslo | Neonatologist |
| May 98-May 2007 | Section on Neonatology, Department of Pediatrics Rikshospitalet, Oslo | Section chief |
| Jan 2003 - Oct 2005 | Department of Pediatrics Rikshospitalet, Oslo | Associate chair of clinical pediatrics |
| May 2007-Dec 2016 | Neonatal Intensive Care Unit, Division of Pediatrics Oslo University Hospital - Rikshospitalet, Oslo | Neonatologist/Professor |

UNIVERSITY APPOINTMENTS

| | | |
|-------------------------------|--|-------------------------|
| Oct 83 - Sept 88 | Dept. of Pediatric Research, Univ. of Oslo | Research Fellow |
| May-Aug 85 + Nov 85-Feb 86 | Lab. for Molecular and Cellular Neuroscience, The Rockefeller Univ., New York,N.Y.,U.S.A. | Postdoctoral Fellow |
| Jul 88 - Jun 90 | Brown University, | Assistant instructor in |

| | | |
|--------------------------|---|--|
| | Providence,R.I.,U.S.A. | pediatrics |
| July94- June 97 | University of Pittsburgh, Pittsburgh,PA,USA | Associate professor |
| September 2003 - 2016 | Dept. of Pediatrics Oslo University Hospital - Rikshospitalet, University of Oslo | Professor |
| 2011 - 2016 | Women & Children’s Division, Oslo University Hospital. | Associate director of academic Pediatrics |
| 2012- 2016 | Faculty of Medicine, University of Oslo | Director of pediatric education |
| March-Sep 2012 | Stanford University School of Medicine, Stanford, CA, USA | Visiting professor |
| Sep-Dec 2016 | Stanford University School of Medicine, Stanford, CA, USA | Visiting professor |
| 2017 – to date | Professor emeritus, Faculty of medicine, University of Oslo | |

ACADEMIC FUNCTIONS

| | |
|--------|---|
| 1999 | Member of thesis committee, 2.opponent for doctoral dissertation: Kirsti Haaland, “Hypothermia as treatment of asphyxia in a newborn piglet model.” |
| 2002 | Sensor for medical graduating thesis: Line Syvertsen “Termination of care in the neonatal period”. University of Trondheim. |
| 2003 | Sensor for medical graduating thesis: Hilde Risstad “Hyperbilirubinemia in the neonatal period and mental/motor development i preschool years.” University of Trondheim |
| 2003 | Acting dean at the PhD dissertation of Runar Almaas, MD. |
| 2004 | Sensor for the degree of Master of Health Science: Lars Adde “General movement assessment predicting cerebral palsy in infants”. University of Trondheim. |
| 2004 | Promotion evaluation for dr.Steven M.Shapiro, MD to the position of associate professor, Virginia Commonwealth University, USA |
| 2005 | Acting dean at the PhD dissertation of Albert Castellheim, MD. |
| 2006 | Acting dean at the PhD dissertation of Arild Rønnestad, MD. |
| 2006-7 | Chair, Thesis committee for the PhD thesis of Hans Christian Erichsen, MD. |
| 2006 | Promotion evaluation for dr.Michael Kaplan, MD to the position of full professor, The Hebrew University of Jerusalem, Israel |
| 2009 | Promotion evaluation for dr.Peter Porcelli, MD to the position of associate professor, Wake Forest University, NC, USA |

| | |
|---------|---|
| 2009 | Sensor for Ingjerd Isachsen Røeggen, The Medical Student Research Program, University of Oslo |
| 2010 | Chair, Thesis committee for the PhD thesis of Julie Holm Tveit, MD. |
| 2012 | Promotion evaluation for dr.Peter Porcelli, MD to the position of full professor, Wake Forest University, NC, USA |
| 2012 | Visiting professor, Stanford University, CA, USA |
| 2012-13 | Screening committee for submitted thesis for the degree of dr.philosophiae, S.Mutzell. |
| 2013 | Chair, Thesis committee for the PhD thesis of Eva Margrethe Schumacher, MD |
| 2013-4 | Chair, Thesis committee for the PhD thesis of Jørn Isaksen, cand.san. |
| 2014 | Acting dean at the PhD dissertation of Bernward Zeller, MD |
| 2014-5 | Chair, Thesis committee for the PhD thesis of Gwendoline Kandawasvika, MD |
| 2014-15 | Chair, Thesis committee for the PhD thesis of Anneli Viktoria Mellblom, MD. |
| 2014-15 | Promotion evaluation for dr.Luke Mullany to the position of full professor, Johns Hopkins University Bloomberg School of Public Health, MD, USA |
| 2015-16 | Chair, Thesis committee for the PhD thesis of Aase Pay, RN, MNSc |
| 2015 | Promotion evaluation for dr.Tina Slusher, MD to the position of full professor, University of Minnesota, Minneapolis, MN, USA |
| 2016 | Promotion evaluation for dr.Jeffrey Reese, MD to the position of full professor and Cornelius Vanderbilt endowed chair, Vanderbilt University, Nashville, TN, USA |
| 2016 | Visiting professor, Stanford University, CA, USA |
| 2017 | Acting dean at the PhD dissertation of Anne Marthe Boldingh, MD |
| 2017/8 | Chair, Thesis committee for the PhD thesis of Adriani Kanellopoulos, MD |
| 2018 | Midpoint evaluation of research track student Emilie Gimnes Jarøy, University of Oslo. |
| 2018 | Acting dean at the PhD dissertation of Anne Gro Wesenberg Rognlien, MD |
| 2018 | Acting dean at the PhD dissertation of Merete Synnøve Vevelstad, MD |
| 2018 | Acting dean at the PhD dissertation of Morten Luhr, MSc. |
| 2019 | Sensor for student thesis, Faculty of Medicine, University of Oslo, Kari Røvang. |
| 2019 | Sensor for student thesis, Faculty of Medicine, University of Oslo, Sarah Ravindran. |
| 2019-20 | Chair, Thesis committee for the PhD thesis of Melina Mgongo, Clinical nutritionist. |
| 2019 | Midpoint evaluation of research track student Trine Arntzen, University of Oslo. |
| 2019-20 | Chair, Thesis committee for the PhD thesis of Janne Rueness, MD. |
| 2020 | Acting dean at the PhD dissertation of Merete Synnøve Vevelstad, MD. |
| 2020 | Acting dean at the PhD dissertation of Trond Nordheim, MPsych. |

SCHOLARSHIPS/FELLOWSHIPS/GRANTS

| | |
|---------|--|
| 1964-65 | I.C.Y.E. exchange student to Wauwatosa,Wis.,U.S.A. |
| 1983-88 | Research Fellow, Dept of Pediatric Research, National Hospital, Univ. of Oslo, Norway. |
| 1983 | Signe and Albert Bergsmarkens Fund. |
| 1984 | Prof.dr.med.Martin Seip's Fund. |
| 1985-86 | Fulbright Fellow, The Rockefeller Univ.,N.Y.,U.S.A. |
| 1985 | Høyesterettsadvokat Per Rygh's grant. |
| 1985 | Chr.Christensens grant. |
| 1985 | Nathalia & Knut Juul Christiansens Foundation. |
| 1985 | Prof.dr.med.Carl Semb's Fund. |
| 1985 | University of Oslo, travel grant. |
| 1985 | The Norwegian Research Council for Science and the Humanities, equipment grant. |
| 1986 | The Norwegian Research Council for Science and the Humanities, grant for research abroad. |
| 1986 | Prof.dr.med.Martin Seip's Fund. |
| 1986 | The Scandinavian Airlines System, travel grant. |
| 1986 | The Scandinavia-Japan Sasakawa Foundation, travel grant. |
| 1986 | Prof.dr.med.Carl Semb's Fund, equipment grant. |
| 1987 | University of Oslo, travel grant. |
| 1987 | Prof.dr.med.Carl Semb's Fund. |
| 1987 | Professor Einar og hustru Ebba Langfeldts Fund. |
| 1987 | Ths.Fearnley's Fund. |
| 1987 | Dr.A.Malthes Legacy for Internal Medicine. |
| 1987 | J.L.Tiedemanns Tobaksfabrik's Fund for Medical Research. |
| 1987 | Signe and Albert Bergsmarkens Fund. |
| 1988 | The Norwegian Research Council for Science and the Humanities, grant for research abroad. |
| 1988 | Distriktslege Johan Widding Heiberg Cammermeyer's legacy, grant for research abroad. |
| 1988 | Professor dr.med.Martin Seip's Fund. |
| 1988 | Nathalia & Knut Juul Christiansens Foundation. |
| 1988 | A/S Freia Chocolate Fabriks Medicinske Fond. |
| 1988 | Konsul Cato N.B. Aalls legacy. |
| 1988 | Dr.A.Malthes Legacy for Internal Medicine. |
| 1988-90 | Neonatal Fellow,Brown University Program in Medicine, Women & Infants' Hospital of Rhode Island. |
| 1989 | Høyesterettsadvokat Per Rygh's grant. |
| 1989 | Dr.A.Malthes Legacy for Internal Medicine. |
| 1991 | The Medinnova Research Fund. |
| 1991 | Ths.Fearnley's Fund. |
| 1992 | The Medinnova Research Fund. |
| 1992 | The Nordic Insulin Fund. |
| 1992 | Alette and Kristian Schreiners Fund. |
| 1992 | Stefi & Lars Fylkesaker's Foundation. |

1993 Norwegian Research Council for Science and the Humanities, 3 year full time salaried grant (Grant no.100964/310).

1993 Signe and Albert Bergsmarkens Fund.

1993 Nybakk/Bergs Fund.

1993 The Medinnova Research Fund.

1993 Alette and Kristian Schreiners Fund.

1993 Ths.Fearnley's Fund.

1993 Nils J.Astrup Jrs' Fund.

1994 J.E.Isberg's Fund.

1994 Prof.dr.med.Carl Semb's Fund.

1994 Nybakk/Bergs Fund.

1994 The Medinnova Research Fund.

1994 The Nansen Fund.

1994 Stefi & Lars Fylkesaker's Foundation.

1994/95 Children's Hospital of Pittsburgh, intramural grant.

1995 J.E.Isberg's Fund.

1995 The Medinnova Research Fund.

1995/96 Children's Hospital of Pittsburgh, intramural grant.

1996 The Lærdal Foundation.

1996 Magee-Womens Health Foundation Research Fund:"Bilirubin clearance in blood-brain barrier deficient transgenic mice". PI:dr.Jon Watchko, M.D.

1997 The National (Norwegian) Association for Public Health, Division of newborn medicine.

1997 National Institutes of Health RO3 grant: "Mechanism to limit CNS bilirubin influx: P-glycoprotein." Principal investigator: dr.Jon Watchko, M.D.

1998 The Medinnova Research fund.

1998 The Nansen Fund.

1999 Health and Rehabilitation - The foundation for Norwegian health- and rehabilitation organizations. Newborn hearing screening.

1999 Tom Wilhelmsen's Foundation.

1999 Norwegian Research Council, grant for student researcher

2000 Health and Rehabilitation - The foundation for Norwegian health- and rehabilitation organizations. Newborn hearing screening.

2000 Norwegian Research Council, grant for student researcher

2000 Tordis og Fritz C.Rieber's Legacy

2000 Tom Wilhelmsen's Foundation.

2000 Futura Fund.

2001 Health and Rehabilitation - The foundation for Norwegian health- and rehabilitation organizations. Newborn hearing screening.

2001 Health and Rehabilitation - The foundation for Norwegian health- and rehabilitation organizations. Screening for congenital hip dysplasia.

2001 Health and Rehabilitation - The foundation for Norwegian health- and rehabilitation organizations. Lung lavage in meconium aspiration (main project advisor).

2001 Health and Rehabilitation - The foundation for Norwegian health- and

| | |

| | rehabilitation organizations. Security for parents of premature infants (member of steering committee). |
| 2001 | Tom Wilhelmsen's Foundation |
| 2001 | Department of Health and Welfare, grant for health economics/health policy research. |
| 2002 | Tordis og Fritz C.Rieber's Legacy |
| 2004 | The Medinnova Research fund. |
| 2005 | Sigval Bergesen D.Y. og hustru Nanki's Almennyttige Stiftelse |
| 2005 | The Henrik Homan Memorial Legacy. |
| 2005 | The Anders Jahre Fund for the Advancement of Science |
| 2005 | The Norwegian Research Council: "Injury in newborn infants. Basic mechanisms related to oxidative stress and bilirubin encephalopathy". Network grant, Co-PI's: Ola Didrik Saugstad, Terje Rootwelt, Thor Willy Ruud Hansen. |
| 2006 | The Henrik Homan Memorial Legacy. |
| 2006 | Small grants programme, University of Oslo, Faculty of Medicine |
| 2006 | University of Oslo. Grant for the development of interactive learning tools in pediatrics. |
| 2006 | Joh.H.Andresens Medical Fund. |
| 2006 | Anne Margrete Bakkes Fund |
| 2006 | The Renée and Bredo Grimsgaard Foundation |
| 2007 | Anne Margrete Bakkes Fund |
| 2007 | The Renée and Bredo Grimsgaard Foundation |
| 2007 | Leif Richard Erichsen og wife Maren Hertzberg Erichsen's Beneficiary Fund for Norwegian medicine. |
| 2007 | The Anders Jahre Fund for the Advancement of Science |
| 2007-09 | Nevronor (The Norwegian Research Council). 3-year group grant, Co-PI's: Ola Didrik Saugstad, Terje Rootwelt, Thor Willy Ruud Hansen. |
| 2007 | The Medinnova Researcher's grant (for Khalaf Mreihil). |
| 2007-8 | University of Oslo. Grant for the development of interactive learning tools in pediatrics. |
| 2008 | The Research Council, Asker and Bærum Hospital |
| 2008 | The Anders Jahre Fund for the Advancement of Science |
| 2008 | Gertrude and Jack Nelson's Fund |
| 2008 | Joh.H.Andresens Medical Fund. |
| 2010-12 | Nevronor (The Norwegian Research Council). 3-year group grant, Co-PI's: Ola Didrik Saugstad, Terje Rootwelt, Thor Willy Ruud Hansen. |
| 2012 | Norwegian Pediatric Association research grant |
| 2012 | Sigval Bergesen D.Y. og hustru Nanki's Almennyttige Stiftelse |
| 2012 | The Renée and Bredo Grimsgaard Foundation |
| 2014 | The Renée and Bredo Grimsgaard Foundation |

TEACHING APPOINTMENTS/QUALIFICATIONS

| | |
|---------|--|
| 1969-72 | Lecturer in physiology, pharmacology, and geriatrics, Betanien College of Nursing, Oslo, Norway. |
| 1973-74 | Lecturer in physiology, Telemark County College of Nursing, Skien, |

| | |
|---------------|--|
| | Norway. |
| 1983-88 | Research Fellow, Department of Pediatric Research, Rikshospitalet, University of Oslo, Norway. |
| 1987-88 | Lecturer in pediatrics, Betanien College of Nursing, Oslo, Norway. |
| 1988-90 | Assistant instructor in pediatrics, Brown University Program in Medicine, Rhode Island, U.S.A. |
| 1991 | Lecturer in pediatrics, Diakonhjemmet College of Nursing, Oslo, Norway. |
| 1991-92 | Lecturer in neonatology, Program for clinical nurse specialists in pediatrics, Rikshospitalet (The National Hospital), Oslo, Norway. |
| 1993 | Lecturer in pediatrics (resuscitation, pharmacology and -therapeutics), Program for clinical nurse specialists in intensive care medicine, Rikshospitalet (The National Hospital), Oslo, Norway. |
| 1994-97 | Associate professor in anesthesiology/critical care medicine and pediatrics, Children's Hospital of Pittsburgh, University of Pittsburgh, Pittsburgh, PA, USA. |
| 1997- to date | Numerous lectures for clinical nurse specialist courses (pediatrics, intensive care medicine, neonatology) and nutritionists. |
| 2003- 2016 | Professor of pediatrics, Rikshospitalet, University of Oslo, Norway |
| 2005 | Attained basic qualifications in university pedagogics. |
| 2006 | Attained full qualifications in university pedagogics. |
| 2007 | Development of the "Pediatrics Portal", a web-based learning resource in pediatrics for medical students at the Faculty of Medicine, University of Oslo (http://www.pediatrics.no). Last revision 2019. |

LEARNED SOCIETIES / HONORS

| | |
|--------------|---|
| 1972-present | Norwegian Medical Association |
| 1972-88 | Norwegian Association for Christian Physicians |
| 1981-present | Norwegian Pediatric Society |
| 1985-present | International Perinatal Collegium |
| 1986-present | Norwegian Society for Perinatal Medicine |
| 1990-present | European Society for Pediatric Research |
| 1991-present | Society for Pediatric Research (U.S.A., affiliate member) |
| 1995-2012 | New York Academy of Sciences |
| 1996-97 | American Association for the Advancement of Science |
| 1996-2005 | Society for Neuroscience |
| 1997-2016 | The Perinatal Research Society |
| 1998-present | Fellow of The American Academy of Pediatrics |
| 1998-2010 | Norwegian Society for Neurobiology |
| 2000-2016 | Norwegian Forum for Health Leadership |
| 2001-2018 | American Association for the History of Medicine |
| 2006-present | American Pediatric Society (Honorary member) |
| 2008 | Honorary doctorate, Bashkir State Medical University and Republican Children's Hospital, Ufa, Bashkortostan |
| 2009-11 | European Society for Developmental, Perinatal and Paediatric Pharmacology |

2013 The King's Medal of Merit (Norway).
 2018 Bilirubin Club Award, Pediatric Academic Societies.
 2020 American Physiological Society.

BOARDS/COMMITTEES

1980-84 Aid coordinator, The Norwegian Council for Missionary Health Service.
 1981-88 Vice president, Governing Board of Betanien College of Nursing, Oslo, Norway.
 1988-90 Perinatal Subcommittee, Women & Infants' Hospital of Rhode Island, Providence, R.I., U.S.A.
 1991-94 Medication Committee, The National Hospital, Oslo, Norway.
 1991-94 Data Technology Committee, Department of Pediatrics, The National Hospital, Oslo, Norway.
 1993-94 "Users' Council", project work in relation to the building of a new National Hospital.
 1995 Clinical Management Group/Neonatal Subgroup, Children's Hospital of Pittsburgh
 2000 Neonatal intensive care capacity in southeastern Norway. Committee appointed by the Department of Health and Social Services (committee member).
 2000-1 Planning and organization of neonatal intensive care in Norway. Committee appointed by the Department of Health and Social Services (committee member).
 2000-04 SpectRx International Neonatal Medical Advisory Board (member).
 2002 Planning and organization of neonatal care in "Health South" - the corporation for health care in southern Norway (member).
 2003 - 2005 The Quality Committee, Department of Pediatrics, Rikshospitalet (member).
 2003 - 2005 Leader of Research Forum, Department of Pediatrics, Rikshospitalet
 2004 - 2005 Member of the steering committee for Rikshospitalet Research Seminars
 2004 - 2006 Member of the Clinical Ethics Committee, Rikshospitalet
 2004 - 2006 Respironics International Neonatal Medical Advisory Board (USA, member).
 2004 - to date Pilot Kernicterus Registry Oversight Group (USA, member).
 2005 - 2010 Gaustad Neuroscience Network (currently Oslo Neuroscience Network, member of steering committee).
 2006 - 2014 Associate editor and member of the editorial board of Pediatric Critical Care Medicine.
 2006 - 2012 Chair, Clinical Ethics Committee, Rikshospitalet-Radiumhospitalet HC
 2006 - 07 Contributing author to the publication "Trends in the social and health care sector", Directorate of health and social affairs, 2007.
 2007 - 09 Vice president/president-elect, Norwegian Pediatric Association.

| | |
|----------------|---|
| 2007- 11 | Member of the steering committee, Nordic Paediatric Federation |
| 2008 - 2009 | Member of the 9.term Exam Commission, Faculty of Medicine, University of Oslo. |
| 2009 - 2011 | Member of the working group for pediatric skills training, Norwegian Pediatric Society. |
| 2009 - 2010 | Member of the working group for development of courses and curriculum in pharmacology/pharmacotherapy for hospital staff, Oslo University Hospital, Rikshospitalet. |
| 2009 - 11 | President, Norwegian Pediatric Association. |
| 2009 - 11 | Adjunct member of the board of Acta Paediatrica. |
| 2011 | Member of the Health Directorate's working group for a national strategy document for clinical research and clinical trials in pediatric drug therapy. |
| 2011 - 13 | Chair of the Nominations Committee, Norwegian Pediatric Association. |
| 2011 - 12 | Member, working group for ethics guidelines, Health Region South-East. |
| 2011-12 | Member, working group for coordination of the Skills Center, UiO and the Training Center, Division of emergency medicine, Oslo University Hospital. |
| 2012 - 18 | Chair, Rikshospitalet/Radiumhospitalet/The Epilepsy Hospital Clinical Ethics Committee, Oslo University Hospital |
| 2012 - 18 | Director of Clinical Ethics; Chair, Clinical Ethics Committee, Oslo University Hospital |
| 2013 - 2017 | Chair, steering committee for the project: "Better coordination of transition in health care for children and youth with chronic disease". Norwegian Pediatric Association and Norwegian Association for Family Practice. |
| 2013 -14 | Member, 9.term exam commission, Faculty of Medicine, University of Oslo. |
| 2013- 16 | Member, steering committee for the Children and Youth Programme, Oslo University Hospital. |
| 2013- to date | Board member of The Renee and Bredo Grimsgaard Foundation |
| 2014-16 | Member, module committee for module 6, new curriculum "Oslo 2014". |
| 2014- 2018 | Member (ex officio) Central board for quality and patient safety, Oslo University Hospital. |
| 2015 | Adjunct member of the Directorate of Health working group for national guidelines for hearing screening in newborn infants. |
| 2019 | Member (external ethicist) of the Working Group for professional and ethical guidelines for treatment of CNS tumors in children. The national group for management of CNS tumors in children. |
| 2019 – to date | Board member for Barnestiftelsen (The children's foundation), Oslo University Hospital. |

INVITED PRESENTATIONS

- | | |
|----------|--|
| 1985 | Symposium on phototherapy, Ernst-Moritz-Arndt-University, Greifswald, GDR. |
| 1986 | Seminars at several Japanese Universities. |
| 1993 | Invited speaker at the Kernicterus Symposium, Society for Pediatric Research, Washington DC, USA |
| 1995 | Seminar on bilirubin encephalopathy, Magee Women's Hospital, Pittsburgh, PA, USA |
| 1996 | Invited speaker at a seminar in honor of Professor William Oh, MD, 1995 recipient of the Virginia Apgar Award, Brown University, RI, USA. Topic: "Bilirubin toxicity - towards a unifying mechanism." |
| 1996 | Invited speaker at the course "Frontiers in the Care of the Neonate: Bilirubin-induced Neurologic Dysfunction", Pennsylvania Hospital/ Thomas Jefferson University Hospital, Philadelphia, PA, USA. Topic: "Molecular biology of bilirubin-induced neurotoxicity." |
| 1996 | Invited participant at the Crigler-Najjar Conference, The Rockefeller University, NY, USA. |
| 1997 | Invited speaker at the Kernicterus Symposium, Society for Pediatric Research, Washington, D.C., USA. Topic: "The clinical and pathological features of kernicterus and what we do to prevent it". |
| 1997 | Invited speaker at the Department of Biophysics and Cell Biology, University of Debrecen, Hungary. Topic: "P-glycoprotein and bilirubin in the brain - is there a connection?" |
| 10. 1998 | Seminar at the Department of Pediatrics, Aker Hospital, Oslo, Norway. Topic: "Neonatal jaundice - the state of the art." |
| 1998 | Seminar at the Norwegian Radiation Safety Authority. Topic: "Neonatal jaundice - basic science and mechanisms of toxicity." |
| 1998 | Invited speaker at the Kernicterus Symposium, Society for Pediatric Research, New Orleans, U.S.A.. Topic: "Mechanisms of bilirubin neurotoxicity - the basic science perspective." |
| 1998 | Invited speaker at the XXXIIIrd Middle East Medical Assembly, Beirut, |

- Lebanon. Topic: "Neonatal hyperbilirubinemia and kernicterus: a 1998 update."
- 1998 Invited speaker at the XXXIIIrd Middle East Medical Assembly, Beirut, Lebanon. Topic: "Early discharge from the nursery: Implications for the care of healthy and sick neonates."
- 1998 Invited speaker at the Spring Symposium for the Perinatal Committees in Vestfold and Telemark Counties. Topic: "Pre- and postnatal growth and nutrition."
- 1998 Invited speaker at the conference "Perinatal Care" in Oslo. Topic: "Simple ways to more efficient phototherapy."
- 1998 Invited speaker at the conference "Limits for intervention in premature infants", Oslo. Topic: "Attitudes towards management of extreme prematurity in non-Nordic countries."
- 1999 Lab seminar at the Institute for Medical Biochemistry, University of Oslo. Topic: "Bilirubin and brain damage - the clinician as neurobiologist."
- 2001 Invited speaker at the International Congress on Neonatal Jaundice, Hong Kong. Topic: Bilirubin brain toxicity.
20. 2001 Invited speaker at the Hershey Society for the History of Medicine, Hershey, PA, U.S.A. . Topic: Glimpses from studies of neonatal jaundice in 18th and 19th century Europe
- 2001 Invited speaker at the conference "Caesarean Section - The current position, Ålesund, Norway. Topic: Caesarean section in preterm deliveries.
- 2001 Invited speaker at Working conference on OAE-screening, Drammen, Norway. Topic: Neonatal hearing screening. What is happening around the world?
- 2001 Invited speaker at the 175th Anniversary of Rikshospitalet, Oslo, Norway. Topic: Neonatal medicine - working at life's extreme.
- 2001 Invited speaker at Course in pregnancy care and neonatal medicine, Stavanger, Norway. Topic: Hyperbilirubinemia.
- 2001 Invited speaker at Course in pregnancy care and neonatal medicine, Stavanger, Norway. Topic: Early discharge - pitfalls and possibilities.
- 2001 Seminar at the Department of Pediatrics, Rogaland Country Hospital, Stavanger, Norway. Topic: Treatment and follow-up of jaundiced neonates.
- 2002 Presentation to the SpectRx International Neonatal Advisory Board: "Epidemiology of neonatal jaundice in Norway. A project proposal." Baltimore, MD, U.S.A., May 3.
- 2002 "Norwegian Hot Topics", Oslo. Topic: Bronchopulmonary dysplasia - approach to fluids and nutrition.
- 2003 Invited speaker at contact meeting, Bærum Hospital, Norway. Topic: "Hyperbilirubinemia in the neonate".
30. 2003 Invited speaker at Joint meeting of Norwegian and British pediatricians: "Neonatal jaundice - Anno Domini 2003." Oslo, May 24.
- 2003 Invited speaker at the "Fall Meeting", Norwegian Anesthesiological Society: "NO - tank you!" Oslo, October.
- 2003 "Norwegian Hot Topics", Oslo: Pharmacological treatment of PDA -

- indomethacin vs ibuprofen.”
- 2003 Invited speaker at staff meeting, Department of Anesthesiology, Rikshospitalet: “NO - tank you!” , Oslo, November 20.
- 2004 Inaugural lecture at the Department of Pediatrics and Institute for Pediatric Research, Rikshospitalet: “Neonatal jaundice and bilirubin toxicity – A clinician’s quest for understanding of basic science mechanisms.” , Oslo, January 12.
- 2004 Invited lecture at the inaugural conference for the Norwegian Neonatal Network: “Patient classification.” Oslo, Feb. 19-20.
- 2004 Invited lecture at the inaugural conference for the Norwegian Neonatal Network: “Chronic lung disease.” Oslo, Feb. 19-20.
- 2004 Invited speaker at CME-course in pediatric anesthesiology: “Inhaled nitric oxide.” , Oslo, March 4.
- 2004 Invited speaker at CME-course in pediatric anesthesiology:” High frequency ventilation.” Oslo, March 4.
- 2004 Invited speaker at CME-course in neonatology:”Update on neonatal hyperbilirubinemia.” , Oslo, March 18.
40. 2004 Invited speaker at seminar on DRG:”Improving diagnostic coding.” , Oslo, March 23-24.
- 2004 Invited speaker at CME-course in pediatric anesthesiology: “Resuscitation of newborns.” Oslo, April 29.
- 2004 Fall meeting of the Norwegian Pediatric Association - Neonatal Subgroup Meeting: “American Academy of Pediatrics: Management of hyperbilirubinemia in the newborn infant 35 or more weeks of gestation. Should we adopt these guidelines in Norway?” Trondheim Oct.14.
- 2004 Norwegian Air Ambulance’s Course in Neonatal Transports: “Resuscitation of newborn infants.” Skårer December 2.
- 2004 Course of Intensive Care and Rehabilitation in Neonatology: “Kernicterus and bilirubin toxicity - The basic science story.” St.Petersburg, Russia, Dec.4-5.
- 2004 Course of Intensive Care and Rehabilitation in Neonatology: “Management of neonatal jaundice - practices and guidelines.” St.Petersburg, Russia, Dec.4-5.
- 2004 Course of Intensive Care and Rehabilitation in Neonatology: “Management of extremely low birthweight infants in Norway – Organization, practices, results, and challenges.” St.Petersburg, Russia, Dec.4-5.
- 2004 Course of Intensive Care and Rehabilitation in Neonatology: “Management of persistent pulmonary hypertension of the newborn: Nitric oxide and other fun tools in the NICU.” St.Petersburg, Russia, Dec.4-5.
- 2005 Norwegian Society for Pharmacology and Toxicology, Winter Meeting: “PGP expression in the blood-brain barrier - implications for bilirubin toxicity in jaundiced newborns.” Geilo, Norway Jan 27-30.
- 2005 CME-course in pediatric anesthesiology: Topic: Resuscitation of newborns Oslo, April 14.
50. 2005 Center for Molecular Biology and Neuroscience. Research Seminar:

- Mitochondrial function - Basic Mechanisms and Clinical Aspects.
Topic: Bilirubin oxidation in brain. Oslo, April 14.
- 2005 The Oslo Perinatal Committee, Annual Seminar. Topic: Persistent jaundice in neonates and infants. Oslo, April 19.
- 2005 Danish Paediatric Society, Spring Meeting. Topic: Neonatal jaundice - a review. Aalborg, May 20.-21.
- 2006 Staff meeting, Dept of Anesthesia, Rikshospitalet-Radiumhospitalet HF. Topic: "When can we say no?" Oslo, February 9.
- 2006 CME-course in pediatric anesthesiology: Topic: Resuscitation of neonates, Oslo, March 29.
- 2006 Seminar on medical ethics. Topic: "When the patient is a child. Finding the balance between parental rights, autonomy, and 'best interest' ". Oslo, April 27.
- 2006 Staff meeting, Department of pediatrics, Ullevål University Hospital. Topic: "When is enough, enough? Perspectives on non-initiation, limitation, and withdrawal of life support - when the patient is a child". Oslo, June 6.
- 2006 Spring meeting of the Norwegian Pediatric Society, Neonatal subgroup: Bratlid D and Hansen TWR: "National guidelines for management of neonatal jaundice?" Drammen June 8..
- 2006 Staff meeting, Berg Gård, Section on pediatric neurology and habilitation. Topic: "When is enough, enough? Perspectives on non-initiation, limitation, and withdrawal of life support - when the patient is a child". Oslo, June 20.
- 2006 National NICU Strategy Conference. Topic: "Experiences with competence building at Rikshospitalet-Radiumhospitalet HC". Oslo, Oct.23.
60. 2006 Departmental conference, Dept of Pulmonology, Rikshospitalet-Radiumhospitalet HC. Topic: "The Clinical Ethics Committee at, Rikshospitalet-Radiumhospitalet HC". Oslo, November 22.
- 2006 Meeting of directors, Heart & Lung Clinic Rikshospitalet-Radiumhospitalet HC. Topic: "The Clinical Ethics Committee at, Rikshospitalet-Radiumhospitalet HC". Oslo December 11.
- 2007 Staff meeting, Rikshospitalet-Radiumhospitalet HC (Montebello campus). Topic: "Advanced medical care requires advanced medical ethics." Oslo, January 4.
- 2007 Departmental conference, Dept of Cardiothoracic Surgery, Rikshospitalet-Radiumhospitalet HC. Topic: "The Clinical Ethics Committee at, Rikshospitalet-Radiumhospitalet HC". Oslo January 5.
- 2007 Teaching conference, Dept of Neurosurgery, Rikshospitalet-Radiumhospitalet HC. Topic: "Can the Department of Neurosurgery benefit from The Clinical Ethics Committee". Oslo January 17.
- 2007 Teaching conference, Dept of Psychosomatic Medicine, Rikshospitalet-Radiumhospitalet HC. Topic: "Can the Department of Psychosomatic Medicine benefit from The Clinical Ethics Committee". Oslo February 7.
- 2007 Regional Neonatology Meeting Health Regions South and East. Topic:

- “National Network for Pediatric Pharmacotherapy”. Tønsberg, February 28.
- 2007 Seminar on the occasion of Ola Didrik Saugstad’s 60th anniversary. Topic: ”Advanced clinical medicine requires advanced clinical ethics.” Oslo, March 5.
- 2007 Seminar in medical ethics, Rikshospitalet-Radiumhospitalet HC. Topic: “Cultural encounters and alternative medicine - challenges in the treatment of an infant”. Oslo, May 3.
- 2007 Neonatal Section, Rikshospitalet, staff seminar. Topic: “Progress, innovation, and humanity”. Jeløya, Norway, November 19 and 21.
70. 2007 Fall conference of the Norwegian committees on medical ethics. Topic: “Cultural encounters and alternative medicine - challenges in the treatment of an infant”. Oslo, November 20.
- 2007 Hot Topics in Neonatology. Topic: “Neonatal jaundice and kernicterus - a historical perspective”. Washington DC, December 2-4.
- 2008 Internet-based course in pharmacology: “The child is not a little man - challenges in pediatric pharmacotherapy”. Oslo, February 6.
- 2008 Staff meeting, Department of Neurology, Rikshospitalet: “The Clinical Ethics Committee at Rikshospitalet”. Oslo, February 14.
- 2008 CME-course B-23098 Ethics, communication and coping in relation to sick children: “Difficult conversations and decisions in prenatal counseling and the neonatal period”. Bergen, February 20.
- 2008 Seminar, The Perinatal Committee Telemark Hospital: “Not all is possible – and not all that is possible is good! Ethical aspects in relation to difficult decisions”. Skien, March 27.
- 2008 Two-way internet-based video seminar with The Faculty of Medicine, University of Ufa, Bashkortostan: "Clinical ethics work in Norway". Oslo/Ufa March 28.
- 2008 CME-course in pediatric anesthesiology: “Resuscitation of neonates”, Oslo, April 16.
- 2008 Department of Clinical Chemistry, Asker and Bærum Hospital: “Occurrence and course of neonatal jaundice in healthy near-term Norwegian newborn infants”. Bærum, May 27.
- 2008 Roche End User Meeting: "Bilirubin measurements in neonatal jaundice - clinical significance and analytical pitfalls". Lucerne, Switzerland, June 2.
80. 2008 Roche End User Meeting: "Measuring lactate in newborn infants - "a test in search of a disease?" Lucerne, Switzerland, June 2.
- 2008 The June Conference for intensive care and surgical nurses: “Ethical challenges in technological medicine”. Oslo, June 5.
- 2008 Neonatology, topics for practice: “Management of ELBW infants in Norway”. St.Petersburg, Russia, September 5.
- 2008 Neonatology, topics for practice: “Neonatal jaundice”. St.Petersburg, Russia, September 5.
- 2008 Neonatology, topics for practice: “Ethics in neonatal medicine”. St.Petersburg, Russia, September 5.
- 2008 Course of lectures in pediatrics, neonatology, and bioethics of medical

- care and research: "Transition from intrauterine to extrauterine life". Ufa, Bashkortostan, September 8.
- 2008 Course of lectures in pediatrics, neonatology, and bioethics of medical care and research: "Neonatal jaundice". Ufa, Bashkortostan, September 8.
- 2008 Course of lectures in pediatrics, neonatology, and bioethics of medical care and research: "Management of persistent pulmonary hypertension of the newborn: Nitric oxide and other fun tools in the NICU". Ufa, Bashkortostan, September 8.
- 2008 Course of lectures in pediatrics, neonatology, and bioethics of medical care and research: "Management of extremely low birthweight infants in Norway: Organization, practices, results., and challenges". Ufa, Bashkortostan, September 8.
- 2008 Course of lectures in pediatrics, neonatology, and bioethics of medical care and research: "The ethics of medical research in human". Ufa, Bashkortostan, September 9.
90. 2008 Course of lectures in pediatrics, neonatology, and bioethics of medical care and research: "Ethics in neonatal medicine - are newborn infants different from other human beings?". Ufa, Bashkortostan, September 9.
- 2008 Course of lectures in pediatrics, neonatology, and bioethics of medical care and research: "Experiences from a clinical ethics committee". Ufa, Bashkortostan, September 9.
- 2008 Course of lectures in pediatrics, neonatology, and bioethics of medical care and research: "Basic concepts and challenges in neonatal and pediatric pharmacotherapy". Ufa, Bashkortostan, September 9.
- 2008 Debate forum in the medical students' association : "Treatment at any cost - what are we saving them to? Ethical dilemmas in neonatal medicine". Oslo, O 16.ober.
- 2008 Seminar on the occasion of the 20 anniversary for Clinical Pharmacology in Norway: "Pediatric pharmacotherapy - from stepchild to born in wedlock?". Oslo, October 24.
- 2008 Course in ethics at Betanien, Bergen: "Building blocks in medical ethics". Bergen, October 31.
- 2008 Course in ethics at Betanien, Bergen: "Health laws - whatr do they mean for medical ethics?". Bergen October 31.
- 2008 Course in ethics at Betanien, Bergen: "Clinical ethics committees- an ABC". Bergen October 31.
- 2008 Course in ethics at Betanien, Bergen: "Competent to consent? A challenge in psychiatry and care of the elderly". October 31.
- 2008 The Norwegian Perinatal Days: "Persistent pulmonary hypertension of the newborn". Oslo, November 5.
100. 2008 Staff meeting, Department of Obstetrics and Gynecology, Asker and Bærum Hospital: "Persistent pulmonary hypertension of the newborn", Bærum Nov.7,2008.
- 2008 Fall meeting of the Norwegian Clinical Ethics Committees: "Linking CEC work to the life of the hospital - experience from Rikshospitalet HC". Oslo, November 21.

- 2008 Ethics seminar at Rikshospitalet HC: "Why is it so hard to report medical errors? Professional and emotional perspectives". Oslo, December 10.
- 2009 CME-course B-23794 Ethics, communication and coping in relation to sick children: "Difficult conversations and decisions in prenatal counseling and the neonatal period". Bergen, February 4.
- 2009 Conference for the Clinical Ethics Committees in Health South-East: "The significance of CEC work - experiences from Rikshospitalet." Oslo, March 27.
- 2009 Ethics seminar at Oslo University Hospital, Rikshospitalet (Montebello campus): "I can't allow you to give your baby ogyama!", Oslo, April 28.
- 2009 Seminar at The Faculty of Medicine, University of Ufa, Bashkortostan: "Experiences from a clinical ethics committee". Ufa, May 12.
- 2009 Seminar at The Faculty of Medicine, University of Ufa, Bashkortostan: "Pain and pain relief in infants and children." Ufa, May 13.
- 2009 Seminar at The Faculty of Medicine, University of Ufa, Bashkortostan: "Advanced clinical medicine requires advanced clinical ethics." Ufa, May 13.
- 2009 Nordic meeting of pediatric oncologists: "The Clinical Ethics Committee", Oslo, May 26.
110. 2009 Nordic Pediatric Association: "Teaching and maintaining procedural skills in neonatology through a lab-based course", Oscarsborg, Norway, June 8.
- 2009 Seminar in celebration of the 50th anniversary of the Department of Pediatrics in Tønsberg, Norway: "Ethics in pediatrics - professional and financial limitations today and in the future", Tønsberg, August 28.
- 2009 Staff meeting, Department of Obstetrics and gynecology, Asker & Bærum Hospital: "Ethics and medicine - - professional and financial limitations today and in the future", Bærum, September 23.
- 2009 The Norwegian Perinatal Days: "Kernicterus - an avoidable tragedy". Tønsberg November 5.
- 2009 Fall meeting of the Norwegian Clinical Ethics Committees: "The patient's role in clinical ethics work". Oslo, November 20.
- 2010 General staff meeting, Oslo University Hospital - Rikshospitalet: "Ethics and innovation - finding the balance between upholding and moving the limits". Oslo, January 22.
- 2010 Staff meeting, Department of rheumatology, Oslo University Hospital: "The Clinical Ethics Committee at Oslo University Hospital". Oslo, March 25.
- 2010 Sunnaas Rehabilitation Hospital, Ethics seminar on social media: "Facebook and other kinds of friendship - the limitations of professionalism". Nesodden, April 21.
- 2010 International meeting - Impact of intervention: can we affect typical and atypical development of the human brain: "Prevention of neurodevelopmental sequelae of hyperbilirubinemia in the newborn." Groningen, The Netherlands, April 23.
- 2010 Bilirubin Club, Pediatric Academic Societies: "Ongoing bilirubin

- research in Norway." Vancouver, Canada, May 1.
120. 2010 Seminar: Research in drugs for children: "Why is it important to do research on drugs for children? Focus on the main needs." Oslo, June 10.
- 2010 Experience and relevance - seminar on the occasion of Reidun Førde's 60th anniversary: "What the CEC really means". Oslo, June 17.
- 2010 The Norwegian Medical Association, departmental seminar for the Department of professional development: "Glimpses from the Norwegian Pediatric Association." Holmsbu September 8.
- 2010 National competence center for long-term mechanical ventilation (home ventilator treatment): "Clinical ethics and Norwegian law - some core concepts and paragraphs." St.Olav Hospital, Trondheim, September 28.
- 2010 National competence center for long-term mechanical ventilation (home ventilator treatment): "Clinical ethics committees- organization and experiences." St.Olav Hospital, Trondheim.
- 2010 Leadership conference, The Epilepsy Clinic: "The clinical ethics committee at Rikshospitalet". Sandvika, October 5.
- 2010 Conference for the specialist medical societies, Norwegian Medical Association: "When sick children become sick adults - Treatment and rehabilitation in a life course perspective." Gardermoen, October 12.
- 2010 The Norwegian Perinatal Days: "A pediatric perspective on hospital reorganization in the capital." Lillehammer, November 5.
- 2010 Seminar - Pediatric pharmacotherapy in the future: "Pediatric pharmacotherapy from a pediatrician's perspective - what makes children so special?" Oslo, November 11.
- 2010 Staff meeting, Department of palliative care, Oslo University Hospital - Ullevål: "The Clinical Ethics Committee - ivory tower or everyday medicine?". Oslo, December 6.
130. 2011 Pediatricians' days (semiannual meeting of the Norwegian Pediatric Association): "Withholding intensive treatment in very immature ELBW infants - is it time to think again?" Trondheim, January 19.
- 2011 Seminar on limits for intervention in children: "What do Norwegian physicians think concerning limits for intervention in children? Ethical implications. " Oslo, 21.mars.
- 2011 Bilirubin Club, Pediatric Academic Societies, USA: "Tribute to 55 years of research in phototherapy". Denver, CO, USA, April 29.
- 2011 Staff meeting, OUS Rikshospitalet: "Foreldrenes ivaretagelse av barns autonomi - et etisk perspektiv" (Eng.title: Parents and their responsibility for their children's autonomy- ethical perspectives. Oslo May 6.
- 2011 Research seminar, Women's & Children's Clinic, Buskerud Hospital: "What are relevant pediatric research activities outside the university hospitals?" Drammen May 20.
- 2011 Video seminar with The faculty of medicine, Ufa, Bashkortostan: "Transition of pediatric patients to adult care – challenges and pitfalls". Oslo/Ufa May 27.
- 2011 Seminar in medical ethics, Oslo University Hospital, Rikshospitalet: "Facebook and other friendships - the limits of professionalism", May 31.

- 2011 Site visit - Women's Clinic, University of Cologne, Germany: "Bilirubin toxicity in the newborn - Can we prevent the sequelae?" Cologne, September 2.
- 2011 Staff luncheon, The Epilepsy Referral Hospital: "The Clinical Ethics Committee at Oslo University Hospital". Bærum, November 2.
- 2012 8. Simposio Internacional de Neonatologia do Rio de Janeiro: "Neonatal jaundice – what's new?", 13.-15.September
140. 2012 8. Simposio Internacional de Neonatologia do Rio de Janeiro: "Web teaching – strategies for personal development?", 13.-15.september
- 2012 8. Simposio Internacional de Neonatologia do Rio de Janeiro: "Neonatal ethics – Experience from Nordic Countries", 13.-15.september
- 2012 The Metochi seminar: "The role of next-of-kin – what can research tell us (and what about experience)? ", Metochi, Greece, September 22.-29.
- 2012 The Metochi seminar: "My experiences as a clinical ethics chair. ", Metochi, Greece, September 22.-29.
- 2012 Seminar on teaching, learning and assessment methods in a comparative, international perspective: "E-learning", Faculty of Medicine, UiO/Oslo, October 17.
- 2012 National Fall Seminar for clinical ethics committees: "One or more ethics committees in the same hospital trust? Experiences from Oslo University Hospital." Oslo, November 22-23.
- 2013 Central laboratory, The Norwegian Cancer Hospital - Oslo University Hospital: "Blood sampling and testing of dying patients." Oslo, January 11.
- 2013 Conference for clinical ethics committees and councils in local health care services: "Experiences with participation of next-of-kin/surrogates in a clinical ethics committee." Oslo, February 4.
- 2013 Management team, Clinic for surgery and neurology, Oslo University Hospital: "Clinical ethics committee - What can CSN use the CEC for?" Oslo, February 7.
- 2013 Leadership group, Clinic for diagnostics and intervention OUS: "Clinical ethics committee - What can CDI use the CEC for?" Oslo, February 13.
150. 2013 Angiolab OUS: "Clinical ethics committee - Does the angiolab have any use for the CEC?" Oslo, February 15.
- 2013 Dept of Geriatric Medicine, OUS Ullevål: "Does the Dept of Geriatric Medicine have any use for the CEC?" Oslo March 4.
- 2013 Section for Clinical Service, OUS Rikshospitalet: "Does the Section for Clinical Service have any use for the CEC?" Oslo March 4.
- 2013 Dept of Infection Control, OUS: Does the Dept of Infection Control have any use for the CEC?" Oslo March 5.
- 2013 The Emergency Dept, OUS Ullevål: "Does the Emergency Dept have any use for the CEC?" Oslo March 6.
- 2013 Staff meeting, Dept of Pediatrics, University of Jimma, Ethiopia: "Clinical ethics work in Norway", Jimma March19.
- 2013 Staff meeting, Dept of Pediatrics, University of Jimma, Ethiopia: ""Web

- teaching" – strategies for personal development?", Jimma March 19.
- 2013 Seminar organized by the Clinical Ethics Committee, Oslo University Hospital: "To force or not to force - cases from a clinical ethics committee". Oslo, April 8.
- 2013 Dept of Pediatrics, OUS Rikshospitalet: "Does the Dept of Pediatrics have any use for the CEC?" Oslo, April 9.
- 2013 Dept of Anesthesia, nursing team, OUS Rikshospitalet: "Does the Dept of Anesthesia have any use for the CEC?" Oslo, April 9.
160. 2013 Dept of Gynecological Oncology, OUS Radiumhospitalet: "Does the Dept of Gynecological Oncology have any use for the CEC?" Oslo, April 9.
- 2013 Dept of Radiology, OUS Rikshospitalet: "Do radiologists need the CEC?" Oslo, April 10.
- 2013 Dept of Thoracic Surgery, OUS Rikshospitalet: "Does the Dept of Thoracic Surgery have any use for the CEC?" Oslo, April 12.
- 2013 Palliative Unit, Oslo University Hospital: "Does the Palliative Unit have any use for the CEC?" Oslo, April 22.
- 2013 Section A8, OUS - The Norwegian Cancer Hospital: "Is enough ever enough?" Oslo, April 29.
- 2013 Staff meeting, OUS Rikshospitalet: "The role of patients and next of kin in clinical ethics - experiences (and a little research)." Oslo May 24.
- 2013 Department meeting, Medical Biochemistry, Pediatric lab, OUS-RH: "Coersion/use of force in blood sampling from children". Oslo June 10.
- 2013 Journal club, Dept of psychosomatic medicine: "Does the Dept of psychosomatic medicine have any use for the CEC?" Oslo June 11.
- 2013 Dept of Anesthesia, OUS-RH: "Advanced clinical medicine needs advanced clinical ethics". Oslo, June 13.
- 2013 Leadership team, Dept for gastrointestinal and pediatric surgery, OUS: "Does the Dept for gastrointestinal and pediatric surgery have any use for the CEC?" Oslo June 13.
170. 2013 Norwegian Neonatal Quality Network: "Epidemiological study of phototherapy for infants hospitalized in Norwegian NICUs", Oslo, Sept.20.
- 2013 Clinical Ethics Committee, Diakonhjemmet Hospital: "Experiences with inclusion of next-of-kin in CEC meetings". Oslo September 23.
- 2013 Simulation User Network, Safer Center: "Introduction to neonatal techniques and procedures – combining animal models and mannequins". Stavanger, September 25.-26.
- 2013 Dept of pulmonary medicine, OUS: "Does the Dept of pulmonary medicine have any use for the CEC?" Oslo October 8.
- 2013 Staff meeting, Sykehuset Innlandet - Gjøvik: "Experiences with inclusion of next-of-kin in CEC meetings". Gjøvik October 17.
- 2013 Seminar with the clinical ethics committees from Sykehuset Innlandet. Gjøvik October 17.
- 2013 Postgraduate course for intensive care nurses: "Clinical ethics - ivory tower or everyday medicine?" Oslo University Hospital October 22.
- 2013 Oslo section of The Norwegian Association of Christian Physicians:

- "Clinical ethics - Does it really have a role in clinical practice?", Oslo October 22.
- 2013 Dept of Radiology, OUS Rikshospitalet: "Is enough ever enough?" Oslo, September 21.
- 2013 Central committee for medical errors, Oslo University Hospital: "Clinical ethics - relevant for handling of medical errors?" Oslo, December 10.
180. 2014 Clinic for diagnosis and intervention - Quality Committee, Oslo University Hospital: "Is enough (ever) enough?" Oslo, January 9.
- 2014 Women and Children's Division - Quality Committee, Oslo University Hospital: Clinical ethics - relevant for handling of medical errors?" Oslo, January 23.
- 2014 Staff meeting, Dept of Pediatrics, University of Jimma, Ethiopia: "Medical management of premature infants - Practices and priorities." Jimma, January 31.
- 2014 Staff meeting, Dept of Pediatrics, University of Jimma, Ethiopia: "Resuscitation of newborns." Jimma, February 3.
- 2014 Staff meeting, Dept of Pediatrics, University of Jimma, Ethiopia: "Neonatal jaundice." Jimma, February 4.
- 2014 Joint meeting of the clinical ethics committees of Vestre Viken: "Clinical Ethics Committees - experiences from Oslo University Hospital". Sundvollen, February 13.
- 2014 Bærums Verk Rotary: "Ethical challenges in health care". Bærum, February 27.
- 2014 Fondazione Italiana Fegato, Trieste: "Bilirubin oxidase 2014: Where do we stand?" Trieste, Italy, March 10.
- 2014 Pediatric Academic Societies: Invited discussant at Historical Perspectives poster symposium, Vancouver, BC, Canada, May 3.
- 2014 Pediatric Academic Societies: "Compliance in the prevention of Rh disease", The Global prevention of kernicterus network, Vancouver, BC, Canada, May 4.
190. 2014 Pediatric Academic Societies: "Phototherapy for neonatal jaundice - still room for improvement?", Kernicterus Symposium, Vancouver, BC, Canada, May 5.
- 2014 Seminar on the occasion of the 100th anniversary of Norway's first obstetric clinic: "Sick neonates - from expected death to expected survival." Oslo, May 21.
- 2014 Staff meeting, The Norwegian Cancer Hospital: "The clinical ethics committee - do we need it?", Oslo September 12.
- 2014 Departmental meeting, Pediatric Intensive Care, OUS - Rikshospitalet: "What is the Clinical Ethics Committee?", Oslo September 16.
- 2014 National conference for hospital-based abortion committees: "Viability - perspectives from neonatology and clinical ethics". Gardermoen, September 17.
- 2014 The Methodist Church at Grunerløkka: "What does the clinical ethics committee contribute in a hospital?" Oslo, October 7.
- 2014 Postgraduate course for intensive care nurses: "When next-of-kin won't

- let go”. Oslo University Hospital, October 23.
- 2014 Workshop on palliative care, University of Oslo, Faculty of Medicine and Department of oncology and North-Western State Medical University, Russia: "Clinical ethics and its applicability to neonatal medicine". Oslo, November 7.
