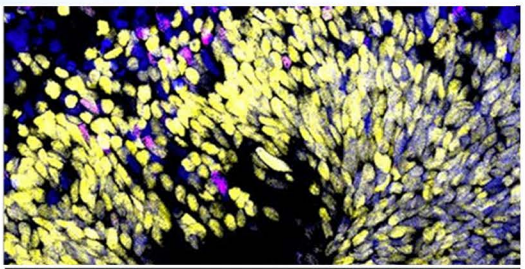
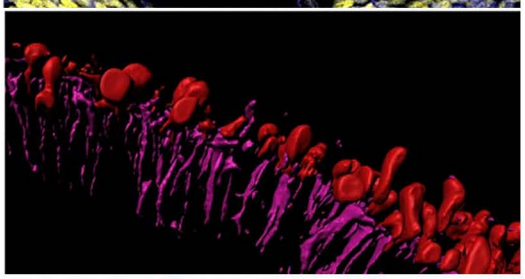
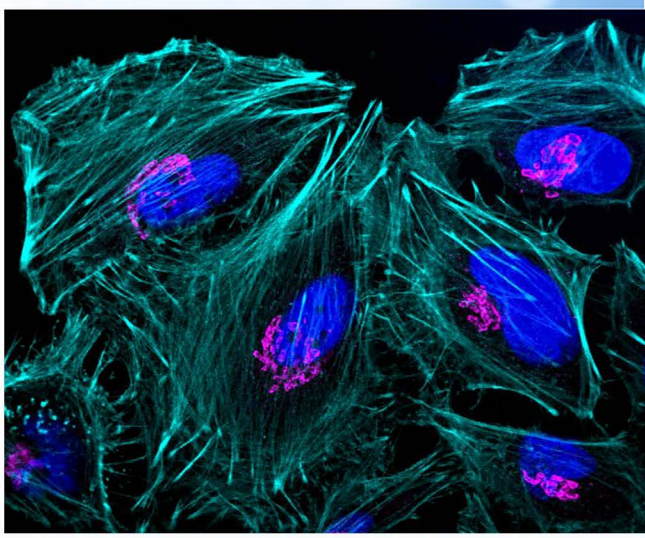
Open Day

LVB Imaging Centre







Join us for an Open Day at the new LVB Imaging Centre in the Life Science Building!

Meet our imaging specialists, explore our advanced microscopy technologies, and learn how our expertise and services can support your research. Drop by for a tour, ask questions, and discuss your imaging needs with our team.

OUR IMAGING TECHNOLOGIES

- Confocal Microscopy
- High Content Imaging
- Light-Sheet Microscopy
- Super-resolution Microscopy
- Multiplex Imaging

Tuesday, November 10, 2026

12:00 – 15:00

Life Science Building, 2nd Floor - East tower
