

# TTA1 Turning the tide of antimicrobial resistance

National kick-off: Tuesday, 13 September 2016 at 12-17:30  
Oslo University Hospital (OUS), Large auditorium Ullevål

Convenor: **Dag Berild**, OUS/UUS

**11:30** Coffee

**12:00** **Bjørn Erikstein**, OUS: *"The OUS response to the AMR challenge"*

**12:10** **Anders Nilsson**, Stockholm University, Sweden: *"Bacteriophage therapy to prevent and treat resistant bacterial infections"*

**12:50** **Gunnar Skov Simonsen**, UNN/UiTø: *"AMR epidemiology in national / international perspectives - NORM status"*

**13:10** **Arnfinn Sundsfjord**, UNN/UiTø: *"Trends in antibiotic resistance development in Norway - overview of the field - molecular studies and resources at UNN including K-Res"*

**13:30** Lunch

**14:00** **Birgitte Freiesleben de Blasio**, FHI: *"Statistical and mathematical modelling as a tool in AMR research"*

**14:20** **Ingrid Smith**, Haukeland Hospital: *"Optimization of the use of antibiotics in Norwegian hospitals - the contribution of the National advisory unit for antibiotic use in hospitals (KAS)"*

**14:40** **Nina Langeland**, Haukeland Hospital/UiB: *"Treatment-refractory Giardia lamblia infections: search for resistance mechanisms in non-culturable parasites"*

**15:00** **Aleksandra Jakovljevic**, St Olavs Hospital/NTNU: *"AMR research at St. Olavs Hospital: Methods for rapid detection of ESBL and carbapenemase producing Enterobacteriaceae and other potential collaboration projects"*

**15:20** **Iren Høyland Löhr**, Stavanger University Hospital: *"AMR research - where is SUS in the landscape? - The Norwegian Klebsiella pneumoniae study"*

**15:40** Coffee

**16:00** **Per Kristian Knudsen**, Dep. of Paediatric Medicine, OUS: *"Carriage of resistant bacteria in paediatric patient groups exposed to antibiotics and in healthy children"*

**16:20** **Henning Sørum**, Veterinary College, NVH: *"AMR in the veterinary perspective - animal and environmental reservoirs for antibiotic resistance"*

**16:40** **Morten Lindbæk**, OUS/UiO: *"Use of antibiotics in primary health care in Norway"*

**17:00** Panel discussion

**17:25** Closing remarks – **Fredrik Müller**, OUS og **Tone Tønjum**, OUS

Organizing committee  
**Tone Tønjum, Mari Støen, Dag Berild and Fredrik Müller**

Directions to Large auditorium (Store auditorium) at Ullevål Hospital from the tram stop “Ullevål sykehus” and from the main entrance “Hovedinngang”
